## High Definition Reversing Camera System

Unit only \$890

High quality, high definition industrial class reversing camera system

Smart IR night vision, audio and a IP69K rated heated camera makes this one of the most versatile kits on the market.

5m, 10m, 15m, 20m camera cables available.

Also includes a completely automatic IR filter for true daytime colour and exceptional night vision.

### Features

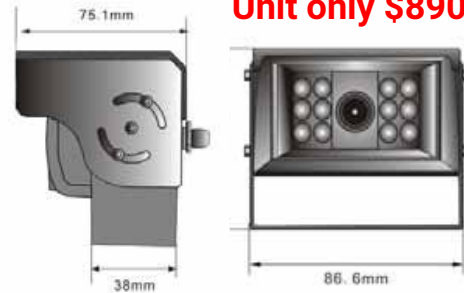

- NZ Based warranty
- Daytime brightness and auto dimming
- Cast alloy camera
- Demisting heater. IP69K rated.
- Wide 160° viewing angle
- 3 x AHD & CVBS camera inputs
- 100 duty cycle - can be left on 24/7
- Reverse grid & automatic triggering
- Day/night infra-red filter

### Available Accessories

- Mirror Replacement Mount
- Trailer Coupler
- Dash Mount (included)
- Flush Mount Bezel (included)

From  
**\$1150**  
Installed

### Specifications

Camera	
water / dust rating	IP69K with built in Heater
Resolution	720P
Audio	Yes
Night Vision	5m (smart IR)
Monitor	
Resolution	1024 x 600
Brightness	500cd/m2 and auto dimming
Camera Inputs	3 x AHD,CVBS auto selecting
System Input Voltage	10V-36V

## 9IN TOUCH SCREEN HD MIRROR DISPLAY 1080P WITH HD DUAL CAMERA

From \$1150  
Installed

### Features

- " 9" Touch Screen HD Display, for streaming and reversing.
- " Dual Camera Inputs, includes 2 cameras that can be mounted virtually anywhere on the vehicle or even on a trailer
- " 1080P HD Resolution, produces clear footage from both cameras to capture critical details.
- " Wide Angle Lens, 110 degree camera angles minimise blind spots around the vehicle.
- " Both cameras can be used as either front or rear view as the image can be flipped on the display.
- " Streaming Mode, view the rear camera at any time or a clear unobstructed view.
- " Reversing Mode, the heavy duty camera switches to reverse mode when reverse gear is engaged.
- " Reversing Mode, the heavy duty camera switches to reverse mode when reverse gear is engaged.
- " Parking Guidelines, display on the heavy duty camera when the reverse trigger cable is connected and reverse gear is engaged.

Unit Only \$650

## 7" Vision S Wireless Camera System

Unit Only \$850

The Furrion Vision S Camera System is designed to assist the driver by providing a clear and wide image of the area behind the vehicle whenever the vehicle is shifted into reverse.

We have tested many many Wireless cameras and this is the only one we would recommend if you cannot use a fully wired system

Great for Boats, Caravans where running wires is difficult or not possible

Also good if you use different towing vehicles

7" MONITOR

REAR CAMERA

### PV175

### 175W 12V Crystalline Panel

- Mono 5 year mechanical warranty
- 25 year linear warranty to 70% power output
- Max.Power(Pmax)175Wp
- Maximum Operating Current(I<sub>m</sub>) 8.97A
- Maximum Operating Voltage 19.5V
- Open Circuit Voltage 23.51V
- Short Circuit Current 9.15A
- Series Fuse 15A
- Withstand high wind loads and snow loads (5400Pa)
- Anti-reflective highly transparent, low iron tempered glass
- Transmission rate 3.18%
- 1485(H)\*675(W)\*30(D)

\$270.00

Brand: RV Tech

### PV290

### 290W 24V Mono Crystalline Panel

- Mono 5 year mechanical warranty
- 25 year linear warranty to 70% power output
- Max.Power(Pmax)290Wp
- Maximum Operating Current(I<sub>m</sub>) 8.91A
- Maximum Operating Voltage 32.55V
- Open Circuit Voltage 39.50V
- Short Circuit Current 9.20A
- Series Fuse 15A
- Withstand high wind loads and snow loads (5400Pa)
- Anti-reflective highly transparent, low iron tempered glass
- Transmission rate 3.18%
- 1645(H)\*995(W)\*40(D)

\$370.00

Brand: RV Tech

### PV345

### 345W Mono Solar Panel 36V

- Mono 5 year mechanical warranty
- 25 year linear warranty to 70% power output
- Max.Power(Pmax)345Wp
- Maximum Operating Current(I<sub>m</sub>) 8.88A
- Maximum Operating Voltage 38.94V
- Open Circuit Voltage 46.80V
- Short Circuit Current 9.34A
- Series Fuse 15A
- Withstand high wind loads and snow loads (5400Pa)
- Anti-reflective highly transparent, low iron tempered glass
- Transmission rate 3.18%
- 1960(H)\*990(W)\*40(D)

\$485.00

Brand: RV Tech

### DRVTOPUP

### 30W Solar Panel with Controller for Start Battery - Installed

\$750.00

- 1 PV 30W Mini Panel
- 1 Victron 10 amp Solar Controller
- 1 Solar Plug and Socket Set
- 1 Solar Bracket Kit
- Twin core Solar Cable
- 4 x Terminals
- Flexi Conduit
- 2 x Solar Brackets
- Ezi Fix Pipe Clips.

30w panel connected to your start battery just to keep everything topped up.

**Remarks:** Upgrade to Bluetooth available for \$60

## SHU050150050

### SMARTSHUNT 500A/50MV Fully Installed

The SmartShunt is an all in one battery monitor, only without a display. Your phone acts as the display. The SmartShunt connects via Bluetooth to the VictronConnect App on your phone (or tablet) and you can conveniently read out all monitored battery parameters, like state of charge, time to go, historical information and much more. In addition, the SmartShunt can be connected and be read by a GX device. Connection to the GX device is made via a VE.Direct cable.

\$650.00

## BPR000065400

### BATTERYPROTECT 12/24V 65A - Installed - Not for Lithium

The Battery Protect disconnects the battery from non essential loads before it is completely discharged (which would damage the battery) or before it has insufficient power left to crank the engine.

\$350.00

The Battery Protect is not a uni-directional device. It can only deal with current in one direction, so either current to a load, or current from a charger, but not both currents at the same time. In addition to this, current only can only flow from the Battery terminal to the Load terminal. In case of use with a load, the battery connects to the Battery terminal, and in case of use with a charger, the charger connects to the Battery terminal.

This is a must for lead acid and AGM battery's that have no management system

## PIN1250

### PHOENIX INVERTER 12/500 230V Fully Installed

Victron Energy Phoenix Inverter 12/500 with VE.Direct communication port and 500VA pure sine wave output.

From \$650.00

500w will charge E bikes, Laptops, Cell Phones, CPAP Machines, and much more.

Installed with remote switch

## PMP122160000

### MULTIPLUS 12/1600/70-16 230VAC INVERTER/CHARGER

The 500VA - 1200VA Multis are a powerful true sine wave inverter, a sophisticated battery charger that features adaptive charge technology and a high-speed AC transfer switch in a single compact enclosure. - Includes RCBO circuit protection

\* price is dependant battery size & capability's and switch board work required

**Installed to existing Power Outlets,**

**includes new Electrical Warrant and electrical certificate of compliance**

\$2600.00

## PMP482306000

### MULTIPLUS-II 48/3000/35-32 230V GX

An Inverter/Charger with device networking built-in, the MultiPlus-II GX communicates with a solar charger, batteries, and other devices to control a grid-connected, off-grid, or remote power installation. Capable of parallel operation for increased power output, or battery charge-rates, A host of advanced features – such as uninterrupted power supply, setting load limits, and supplementing limited grid-power availability with battery power – can all be controlled straight from your phone or smart device. Remote monitoring is also possible.

\$1499.00

**Brand:** Victron Energy

## STARMNT

### Starlink Roof Mount Installation

Get your existing Starlink Satellite Antenna flat mounted on the roof of your Motorhome, Caravan or RV.

Digital RV have the kits to flat mount your starlink antenna and have it cabled permanently on the roof.

Suitable for the Gen 2 and soon the Gen 3 antennas

From \$300 Installed

## VSMART

### Victron Smart Touch Screen System - Start Package

\$900 to \$1400

Brand: Victron Energy

Cerbo GX controller  
Choice of CX 50 or CX 70 Fully Touch Display  
**Data Cables to your existing victron modules- Works with Smart Shunts, Solar Chargers, Inverters and DC:DC Chargers.**

This GX-device provides monitoring and operates as the communication centre of your installation- Allows WiFi remote monitoring , Cloud logging of your usage and charging Share you information with friends and family, check your status from your phone - anywhere. - allow touch screens and tank monitoring solutions Available add-ons, for data include 4G - 5 year IoT Connection kit + \$458

+ Installation costs.

**Build your Smart System**

## VTANK

### Victron 3 Tanks sensor add-on to VSMART

\$850

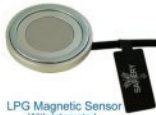

The GX Tank 140 takes readings from up to four tank level sensors. It is an accessory that allows for motoring on the touch screens , via the internet and more. - Requires VSMART (1) installed.

+ Installation costs

**Ultrasonic Tank Level Bottom Sensor no penetration**  
Sensor is 28mm diameter and 18mm high

Package for 3 Tank system, Black or GAS , Grey , Fresh tanks

#### LPG Tank Level Magnetic - Incl pre-processor

LPG Tank sensor will monitor vertical (not horizontal) tanks up to 800mm high (32 inches).

**Bonus - FREE Indoor / Outdoor temperature sensors**

## ASS030543020

### Global Link 520 Incl 5 Years Activated Simcard

\$415

Brand: Victron Energy

Global connectivity with 4G LTE-M  
Your purchase includes 5 years of connectivity, so there is no need to worry about purchasing a separate data bundle and SIM-card

Connect to your Victron Cerbo GX to get remote monitoring using 4G

## Plug & Play WiFi for everyone's Everything

Portable WiFi for your home, motorhome, and caravan

**1. Purchase your Modem for \$250** includes Setup @ DRV

**2. Choose your data package**

**NZMCA - Package Deal 1: \$49.49 Per Month**  
**60GB FULL SPEED DATA.**

followed by endless data at reduced speed with a maximum of 1.2 Mbps.

**NZMCA - Package Deal 3: \$99 Per Month**  
**UNLIMITED GB FULL SPEED DATA.**

A plan with no data restrictions

**NZMCA - Package Deal 2: \$69.49 Per Month**  
**300GB FULL SPEED DATA.**

followed by endless data at reduced speed with a maximum of 1.2 Mbps.

You can put the connection on hold and only pay for the months you require. We'll just need 5 working days' notice when you wish to put it on hold (after one-month minimum activation).

**Get an external Shark Fin antenna installed for extra reception and better speeds**

**From \$200**
