 **From \$1350**

Installed

5" or 7" Vision S Wireless Camera System

7" Unit Only \$950
5" Unit Only \$900

The Furrion Vision S Camera System is designed to assist the driver by providing a clear and wide image of the area behind the vehicle whenever the vehicle is shifted into reverse.

We have tested many many Wireless cameras and this is the only one we would recommend if you cannot use a fully wired system

Great for Boats, Caravans where running wires is difficult or not possible

Also good if you use different towing vehicles

7" MONITOR

REAR CAMERA

SIDE CAMERA OPTIONAL
